

Electrical Parts for Forklifts

Forklift Electrical Parts - Lift trucks as well as different forklifts could have particular labels used in certain hazardous locations. The label indicates that this certain model of forklift meets the minimum standards of ANSI/UL 553 used for electric forklifts or ANSI/UL 558 for internal combustion engine lift trucks.

The use for labels for lift lift trucks can be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Type Designations, Areas of Use, and Maintenance and Operation. Check with your local insurance provider and Fire Marshall for further info regarding the approved uses of industrial powered trucks in your application.

If the forklift has been proven to satisfy the outlined criteria, the following labels may be placed. A marked truck will have the model designation located on the lift truck nameplate and would have one of the following labels attached.
