

## **Lull Telehandler Parts**

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement since 1959. Whether the work involves landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler would really help make the work go faster and easier. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could supply eighty inches of boom travel for precision placement capabilities. There are also numerous optional Lull accessories for their telehandlers to help do whichever job.
