

## Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on attaining total client satisfaction when their customer is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with solid production principals, Nissan Forklifts offer a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the business has four distinct production facilities that allow them to continually adapt to their customers continually evolving needs by providing an assortment of innovative ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using methods and procedures that minimize their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their customers command whilst being an environmentally aware organization.

Nissan is fairly convinced that any of their consumers inquiries and customer considerations directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally endorsed sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
