

## Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to offering top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like offering items that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of staff likes new challenges and new tasks. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to dramatically reduce expense through productivity gains.

The staffs at TREK and their dealer-partners are strongly dedicated to having both parts and technical support available when it is needed. Their high service commitment is amongst the core values in their customer service. Keeping their clients' cleaning machinery ready and functioning everyday is top priority. The company's top of the line technology delivers reliable machine that ultimately lessens your cleaning cost. The service, the product and the price all work as one to be able to make them the leader in the business.
