

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known in the industry as strong and durable equipment that suits all the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could supply machinery, components and warranty service for these types of scrubbers that have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where efficiency and results make a difference. Recently, this particular floor scrubber model has been utilized by the architects in different construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site due to the model's utmost performance level and excellent quality for polishing concrete.
